

Personalization Requests Form Policy

As part of our personalized product offerings, we may require customers to submit customization preferences via our **Personalization Request Form**. This includes names, messages, and images to create custom products. For more details on how we handle personalization requests, please refer to our **Personalization Form Summary**.

Storage and Security

We store customer information securely and only for as long as necessary to fulfill orders or meet legal requirements. Uploaded images for personalized products are **automatically deleted within 30 days** after order completion.

Sharing of Information

We do not sell or rent customer information. However, we may share information with:

- Payment Gateway Providers (for payment processing)
- Courier Services (for delivery purposes)
- Service Providers required to complete your order

Your Rights

You have the right to:

- Request access to your personal information
- Request correction or deletion of your data
- Withdraw consent at any time
